REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claim 12 is allowable because claim 12 specifically requires a variable displacement motor having a cradle type swash plate and a retainer for guiding the swash plate in a transaxle having a two part housing, wherein the housing parts cooperate to hold the retainer and are separably joined along the rotary axis of the motor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
